

CAMBRIDGE HIGH SCHOOL

Coaches, AD's, Meet Officials, & Volunteers,

We are looking forward to hosting the Region 7AAAAAA Track Meet next week. On the following pages are specific instructions to help make the event run as smoothly as possible. With the start time on both days prior to our actual school dismissal time of 3:30pm we will need help from all of you with parking & bus entry. We will have volunteers, school resource officers & some additional support from Milton/Alpharetta P.D. to be in locations to help direct you once you arrive but if you can be familiar with the logistics it will make it easier for all involved.

All buses should enter from the Cogburn Road entrance of our campus. You will be directed straight up to the stadium where you can drop your student-athletes –the bus will then be directed around our baseball field to our access road that exits onto Hwy 9 –you will be able to park along the curb if your bus is staying or your driver can simply exit right onto hwy 9. When the meet is over, drivers can simply exit onto hwy 9 and loop back around to the Cogburn entrance to return to the stadium to pick up athletes.

Information is included below on where to park cars should they arrive prior to dismissal-we encourage car-pooling where possible if bringing a vehicle before 3:30pm. Please make sure your parents that might possibly arrive before 3:30 aware of this information as well. After school is dismissed the main lot off of the Cogburn Road entrance will be the best location for access to the stadium.

Thank you again for helping us with the logistics of our event and we look forward to seeing you in Bear Country! Please reach out if you have any questions or we can help in any way.
